INTERIOR DESIGN

Unique materials and natural elements create duality and balance

Estero, Florida, 239/992-5586

KIRA ALEXIS KRÜMM

has been recognized nationwide for designing successful high-end residential homes and commercial interiors, receiving many prestigious awards for excellence in design. Ms. Krümm is a leading designer in the Southwest Florida area who is known for her talent, dedication and professionalism.

Inspired by years of traveling the world, Ms. Krümm brings the essence of the international market to her work, producing exceptional environments that transform the lives of her clients: "Duality and balance are key essentials in all of my designs. I search for the perfect combination of unique elements such as bronze or silver metals and clear glass, combine them with natural elements such as wood and fibers and use my artistic ability to compose interiors with a modern edge and classic style."

Ms. Krümm's disciplined, hands-on approach from start to finish, unwavering attention to details and uncompromising commitment to fulfilling the client's expectations allow her to create unparalleled environments that exude sophistication and elegance. – ADVERTORIAL
