KIRA KRÜMM INTERIOR DESIGN

Design by Kira Krümm Interior Design

License # ID4752

Photography by Randall Perry

A blend of classic elegance and inviting comfort, the dramatic dining room is defined by Krümm's use of columns and custom millwork and features a glass topped dining table surrounded by custom dining chairs that sit atop a hand laid water jet cut marble floor inlay that incorporates limestone, Jerusalem marble, Crema Marfil and Empedora granite into its design. Sumptuous, sand colored silk fabric on the dining chairs and the window treatments along with a platonized silver chandelier hanging from a custom ceiling medallion that coordinates with the millwork panels set into the surrounding walls completes the refined tone of the space.
