Left — Four plush textured stone velvet chairs surround a creamy leather ottoman with honey onyx center insert and silver leaf quartz finish inviting you to sit back and enjoy the pristine view from the Sunset Lounge. Stunning bronze chandeliers and a cleverly designed dropped ceiling add to the captivating ambiance. Kira Krümm International Design, kirakrumm.com

Below — A luminous open floor plan greets you as you enter this spectacular 10,000 sq. ft high-rise residence at The Regent Park Shore, Naples. Tranquil cream hues create a canvas backdrop for sumptuous splashes of color inspired by the breathtaking panoramic views of a vivid Gulf Coast horizon. An exquisite Chihuly centerpiece beacons the eye atop a contemporary glass cocktail table. Kira Krümm International Design, kirakrumm.com
