NEW YEAR, NEW CHEER!

Kira Krümm Interior Design Launches into 2011!

It is with great joy that we share with you the most wonderful news of all...

We proudly introduce you to the newest member of The Krümm-Munera Family

Marco Tazewell Munera
December 23, 2010

Kira and Juan are overjoyed and extremely thankful for the outpour of love and support for this life changing event in their lives.

As we welcomed Marco into the world, KKID LAUNCHED FULL SPEED INTO 2011!

This year, Kira Krümm Interior Design had the great honor of being selected for the cover of *Home & Design's* annual publication, which was unveiled this month and will be widely distributed and available in bookstores Nationwide. The cover, and twelve-page Home Tour [pages 146-157], showcases our spectacular design and renovation project at the Palermo, a two-story penthouse residence atop one of Pelican Landing's exquisite luxury high-rises.

In addition, this month we are thrilled to share with you Kira's feature in At Home, Gulfshore Life's 2011 annual Design publication. Photographed in the Family Room of her Marco Island residence, the article invites you to take a glimpse into her "Personal Space". The revealing feature [on page 40], written by At Home's Editor, Jennifer Freihofer, describes the (then seven months pregnant) Mother-to-Be's personal design aesthetic, and pays homage to Kira's father, painter Terry Krumm.

To read Kira's full article in the annual 2011 At Home, visit our website's Featured Profiles page at http://www.kirakrumm.com/profiles.html

We are also pleased to announce that Kira's father, Terry Krumm, renowned abstract painter, architect, and filmmaker, was honored this month with the opening of his Abstract/ Non-Representational Exhibition at the Naples von Liebig Art Center. Kicking-off with an outstanding reception, held January 20th, a collection of Terry's latest work will exhibit at the von Liebig through March 3rd. For more information, please visit the artist's website www.terrykrumm.com.

Join us for this exciting event!

We would like to invite you to the Miromar Design Center's 3rd Annual Fashion Obsession on Friday, February 4th from 4pm-7pm. The event, which benefits the American Heart Association's Go Red for Women Campaign, will debut a unique Kira Krümm Kollection ensemble for the Fashion Show. This exclusive Mother-Daughter creation was designed by Kira and Elizabeth in the Kira Krümm aesthetic, crafted by their mother, Kathleen, and will be modeled by Elizabeth at the event! For details and ticket information, please visit the Miromar Design Center's website:
