As one *blazing* summer comes to a close and we breeze into fall, we've got some *cool* news to share with you!

Kira Krümm Interior Design is proud to announce our recent honor at the annual ASID Design Excellence Awards in September! Our beautiful Marco Island high-rise project, *The Madeira*, was awarded this year for **outstanding design in the Residential Transitional category**. Our Design Team proudly shares this award, but we would like to give special acknowledgement to Design Associate Megan Rozin for her pivotal role in the Madeira design process. Megan and her husband Heath attended the awards ceremony this year in Hawks Cay, FL, on behalf of KKID. This was Kira Krümm Interior Design's fourth consecutive year to take home an ASID award for excellence in Interior Design!

While Megan and Heath enjoyed their award-winning weekend in the Florida Keys, **Kira, Juan, and Elizabeth were off to Chicago to attend the annual International Casual Furniture and Accessories Market**. Fall is "Market Season" in the furniture and Interior Design industry when the new designs and latest product innovations are introduced. Some of the notable highlights from the Casual Market were the introduction of new materials and the substantial levels of improvement in product quality.

The trip to Chicago was also an opportunity for Kira, Juan, and Elizabeth to experience the "Windy City's" rich, artistic culture. They visited numerous museums and enjoyed attractions including a brilliant architectural boat tour of the city. From discovering new furniture trends, to exploring the Art Institute of Chicago, the trip was an enriching experience for all.

This fall, Kira Krümm Interior Design is also extremely pleased to announce our feature in the stunning new book *100 Florida Architects and Interior Designers*. This impressive hardcover book includes 460 pages of striking images, featuring a collection of Florida's top 100 creative design professionals. This outstanding compendium of designer portfolios and informative profiles is edited by Damir Sinovcic, Editor in Chief of *Design Book* magazine, and features a foreword by Beth Dunlop, architecture critic for *The Miami Herald*. The book launches on October 29, 2010 in Miami.

We enjoy sharing our news with you. Thank you for your continued interest and support.

All the Best,
Kira Krümm Interior Design
