

**We are very happy to share that our Dune Showcase
received the Dream Room *Platinum Award*
for the 2nd year in a row at Miromar Design Center!**

Our beach-cottage chic "Dune Living Room" showcases an exclusive product line from the Kira Krümm Koastal Kollektion, including the Monroe arm chair, and includes a silver leafed wall installation, created in collaboration with The Studio and KSA Bahareque.

Vandy Major Photography

We thank our friends & supporters who attended the Art Walk event, as well

as the public & interior design professionals who voted for our Dream Room.

The Kira Krümm International Design team with "Khrome Wall" collaborators, Pablo Hernandez & Eddie Sierra.
